Activities to do at home during lockdown

Storytellers

Activity 1 - Let's get creative!

Look at the photographs. Is there one that stands out for you? Have a go at recreating the photo in any way you want. It could be with chalks, pencils, pens, recycled objects or you could even get your family involved and dress them up!

Activity 2 - Storytelling

Using another image create a story. This could be a written story or spoken word poem, a song, or even a play!

Think about:

- Where the image is.
- What might be happening or happened just before the photo was taken.
- If there are people – who are they?
- What happens to the scene/people when the photographer steps away?
- Who might be just out of range or in the background of the image?

Jot down ideas for your story as you go but don't be afraid to change things and be creative! If you want to tell the whole story in pictures or even a dance, go for it!
